About Us

The Digital Socialite is acknowledged for its technical efficiency, high responsiveness and professional team which makes us stand in top digital marketing services providers in Jaipur.

With 3 years of cross industry experience we have worked with multiple brands from Jaipur, Pune, Dubai, Hongkong & California.

Our principle is not only to enhance your brand reputation but also to ensure growth perspectives. We believe in know your brand, your competition, your strengths and then only formulize a strategy which suits perfectly to those conditions.

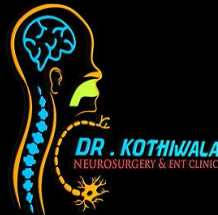

Our Founder:

Ms. Twinkle Patodiya, owns a very reputed name in Fashion Industry and was awarded with Title of Mrs. India 2018. She is a proud owner of 2 Brands and has recently launched another Startup this year. Being an MBA graduate from one of the Top B-schools in India she brings in a deep understanding of Marketing strategies. She is our torch bearer and clearly knows the correlation between Marketing and Sales.

Positive: Professionalism, Quality, Responsiveness, Value

They are one of the best Digital Marketing company in Jaipur. I am very tensed during this lockdown. As my business is going not well, my customers reaches are very low. My relative suggested me the digital socialite. A digital marketing company in Jaipur. They provide me one of the best seo services and social media marketing for my business. They are very well organized company. They are best Digital Marketing agency in Jaipur.

The Digital Socialite has been amazing. I found them when I needed someone to manage the digital media of the company, and I'm so glad it was them.

An amazing team thoroughly professional and the best at what they do. They are the best with tailored prices according to your need. I have tried many other companies when it comes to social media, but TDS have been the best. They provide the best solutions to all your marketing needs when it comes to social media.

Kudos to The digital Socialite, just keep doing what you guys do !
